THE NEWSLETTER OF THE AEROGUIDANCE SOCIETY, INC.

Editor: Ralph Jackson

Volume 5, Number 3

April, 1972

THE PREZ SEZ:

During the last two months I have made a long list of phone calls in an effort to establish some of this year's committees. The job is far from done, but some of the chairmen and committee positions have been filled by willing members and I'd like to list them for you. Of course, this is only a start and if I haven't called on you, think about what you would like to do for your club this year. There is room for everyone's ambition.

Contest manager - Russ Hamrick
Membership chairman - Myron Cary
Connector editor - Ralph Jackson
Flying demonstrations - Stan Bogaczyk
Field committee - Wayne Sitler - Co-chairman
Bill Sebesta - Co-chairman
Jim Stupp
Tom Tomasky
Mike Rushansky
Activities Committee - Art Rlegal - Chairman
Lou Francavillo
Jack Hostetler
Shep Brokaw
Bob Jennings
John Denig
Elwood Campbell
Scott Campbell

Yes, that sure is a good sized Activities Committee, but when you see all we have planned for the season you will understand why.

There will be plenty of activity and if you are so inclined, join in and get the most out of the club. Here is the rundown on what the guys in the activities will be handling.

Art Riegal - STR/CA representative
Lou Francavillo - STR/CA Rep. and intra club contest
Shep Brokaw - Pancake breakfast to be held the morning
of our spring field work party.
Jack Hostetler - Spring family picnic
Bob Jennings - Formula Falcon races
John Denig - Fall family picnic
Elwood and Scott Campbell - General helpers

The dates for this season's activities will be listed elsewhere in the Connector so you can get them on your calendar and join in the fun. Specific information regarding each activity will be given in the Connector as time goes on.

MEETING NOTICE:

April 21 - Gerry Cole - Finishing Techniques
May 5 - Jackson & Harrington - Old Timers (For display projects
please bring only planes and
equipment at least 10 years old.)

GLIDER GUIDERS:

Jack Hostetler

A group of AGS members will form a safari to New Jersey (Wyckoff) on Sunday, April 23rd to participate in the North Jersey RC Glider Spring Warmup Contest. The trip will be down and back on Sunday. If you would like to go, get in touch with Jack Hostetler.

Jack Hostetler is presently working on a hi-start glider tow.

FORMULA FALCON:

Bob Jennings

The first Formula Falcon race of 1972 will be held on Wednesday evening, May 3rd at 6:00 pm. The second race will be held Sunday, May 14th at 5:00 pm. Both races will be held at the Club field in Maine.

IMPORTANT NOTICE

NEWS FROM THE BOARD OF DIRECTORS:

The following changes to the By-Laws of the Aeroguidance Society, Inc are being proposed to the general membership by the board of directors. A reason for the proposal will be given after each item.

*** Addition to Article Seven**

An audit of the club's financial records shall be conducted by an audit team consisting of the President, Vice President and Secretary, and shall be completed each year before the annual meeting.

Reason - Club books have not been audited for over two years and it is felt that no new treasurer should be asked to assume his duties without an audit.

*** Change to Article Four, Section 3**

Regular meetings of this organization shall be held on the first and third Fridays of each month.

Reason - A change from every other Friday is necessary to prevent meeting place scheduling problems, and to provide a more definite meeting schedule.

*** Change to Article Seven, Section 2**

Delete "Beginners Committee" from the list of permanent committees.

Reason - There should be no need for a beginners committee since the beginner's needs should be served during the regular meetings. Also, there has been no active beginners committee for the past two years.

*** Delete Article Seven, Section 4**

Reason - The definition of beginners committee is not required if deleted from the list of permanent committees.

*** Change to Article Six, Section 1**

The Board of Directors shall consist of seven members (President, Vice President, Secretary, Treasurer, Past President, and two elected members at large) and have control and management of the affairs and business of the organization. The two members at large will be elected on alternate years at the annual meeting, for two year terms. Such Board of Directors shall only act in the name of the organization when it shall be regularly convened by its chairman after due notice to all of the directors of such meeting.

Reason - An expansion of the Board of Directors is felt desirable to provide greater capability to transact more club business outside of regular club meetings.

- * Change to Article Five, Section 3
Voting privileges are extended to members in accordance with New York State Law.

Reason - A change from twenty one years of age is proposed to stay in line with state law.

- * Change to Article Nine, Section 4
Special assessments will only be levied on those members 21 years or older.

Reason - To change By-Laws in accordance with current practice.

- * New Article Twelve

Dissolution of the Organization

Section 1

Dissolution of the club can be accomplished at any regular or special meeting of the membership provided the members all have been notified of the reason for dissolution in writing at least seven days in advance of that meeting. Dissolution shall be by a positive vote of three-fourths of the attendees at that meeting called for that purpose.

Section 2

Upon dissolution, the club assets will be donated to The Academy of Model Aeronautics.
