March, 1976

THE PREZ SEZ: Terry Terrenoire

We are off to a good start for '76. We have 26 paid members and 9 senior and 2 junior members who intend to renew.

The first AGS Board of Directors meeting was held February 25. It was an organizational meeting to get projects assigned and decide priorities. Some of the subjects discussed were: field development, tax filing, contest, budget and general duties of the officers and board members.

In 1976 we hope everyone will get involved in club activities. There are many decisions to be made and much work to be done. The board needs your inputs. Therefore: I have asked Dick Allen and John Seitz to take on the additional duty of formally representing you. Details of this plan will be presented at the March meeting. Please remember that this is your club and the board wants to act on behalf of the membership. In an attempt to keep you informed, we will be including in each issue of the Connector a brief summary of the previous meeting if space permits.

Coming up at the March Meeting: Preliminary budget, Annual historians report, Discussion on contest date change,
