THE PREZ SEZ: Terry Terrenoire

Vacation time is drawing to an end, but there is a lot of good flying weather ahead of us yet. There are several club functions coming up soon including the corn roast next Saturday, the glider meet on the 28th of August and the September STRCA fun fly.

This is your club and the board of directors can do only so much. The success and health of the AGS depends on you. Your contributions are needed at meetings as well as other functions. If you have suggestions, questions or complaints, contact me.

It was announced at last Tuesday's meeting that we are now the proud owners of a 1952 Ford 8N farm tractor - cost \$1000. Many thanks to Bill Sebesta, Len Wallace and Bob Arnold. Also many thanks to Dick Allen whose letter to IBM resulted in \$500 toward that purchase. The remainder of the cost was offset by \$120 from the sale of our Cub Cadet and the \$365 received from the insurance company.

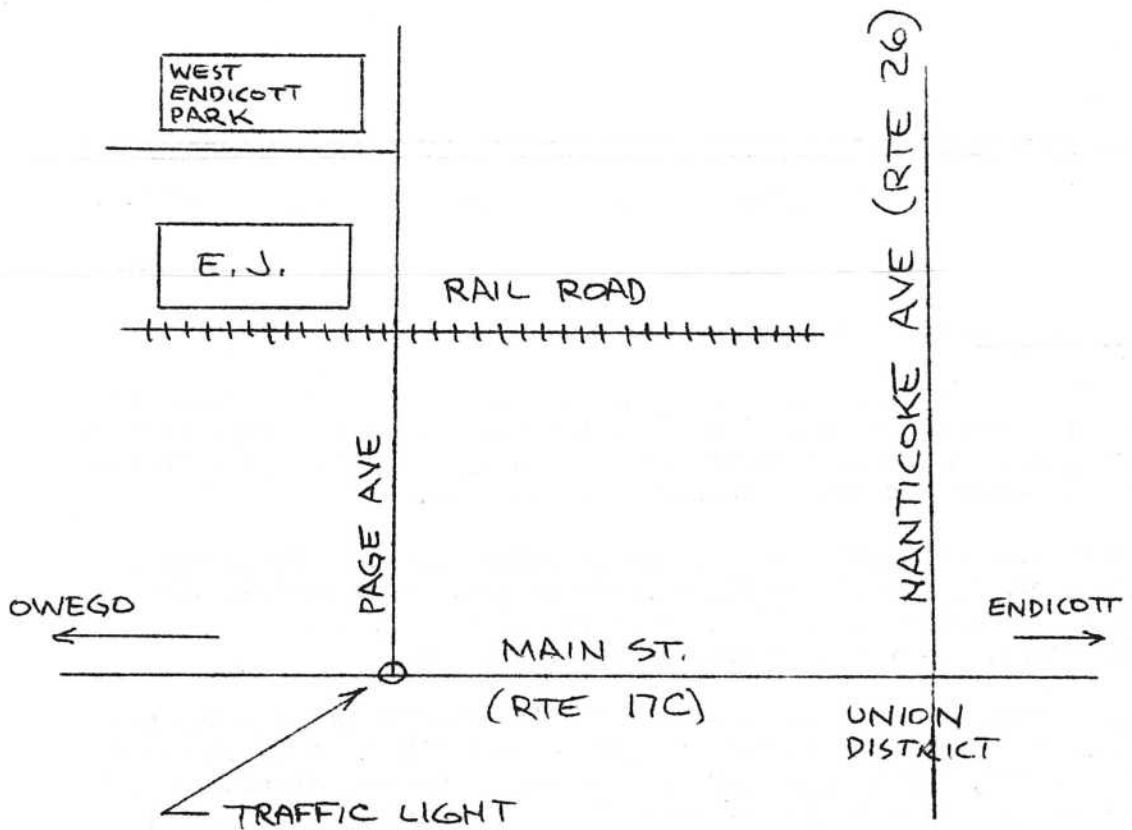

Happy landings and hope to see you at the September 14th meeting when Bob, Dick and Ralph will show slides and give a talk about the 1976 National Championships.
