THE PREZ SEZ: Terry Terrenoire

As we start the new year, we have much to look forward to. This year's board has made many decisions which will benefit the club for years to come. These decisions have hopefully made the club more enjoyable for all concerned. We are completing a very active year and 1977 activities have already started. The most significant changes which have occurred in the club during the past year have been the move to the new flying field, changes in the meeting format and use of a new meeting place. For those of you who haven't attended a meeting lately, you are in for a pleasant surprise.

HERE'S WISHING THE AGS AND ALL OF YOU A HAPPY NEW YEAR.

OFFICIAL NOTICE:

The Board of Directors has voted to recommend that the annual club meeting be changed from February to October. This requires a constitutional change. The item will be voted on at the February, 1977 meeting.

JANUARY MEETING:

The next meeting will be held Tuesday evening, January 11, 7:30 pm at the New York State Electric and Gas Co. building on Old Vestal Road in Vestal.

Coffee and Doughnuts will be available at the January and February meetings on a trial basis. Cost will be 25¢ each. Your participation will determine if the practice will continue.

Because of the season, it would be appropriate to bring your skis and ski planes for show and tell

QUICKIE 500 REPORT: Terry Terrenoire

It appears that the Quickie 500 will be the AGS plane of the year. George has sold at least 12 of them locally. Below is listed the status of some of the quickie 500's under construction by club members.

<u>Builder</u>	<u>Plane status</u>
Larry Taylor	Complete
T. Terrenoire	Framed

Hobby Craft still has some kits available so join the crowd. All those having Quickie 500's under construction should bring the pieces to the January meeting.

Dues Notice: Bill Underkofler

1977 Dues should be paid by the annual club meeting, February 9 or before.

1977 Club Party: Ron Grodevant

The 1977 AGS Club Party will be held March 12 at King Arthur's Restaurant in Endicott. Glorious music will be provided by Don Godfrey. Reserve this date on your calendar. More details will follow soon.

FCC LICENSES FOR R/C

Because of a recent court decision, FCC licences may now be obtained without paying a fee. Since this is a temporary situation, The AMA is urging any member who does not have an individual license to apply for one immediately.

This will give the FCC a better idea of the number of R/Cers in operation as well as providing a license at no cost.
