June 1977

THE PREZ SEZ: Ron Grodevant

This has been a month of disasters: Noll's Yankee, and skybolt, Godfrey's Rebuilt Cub, and my Compensator. All bit the dust within a few days of each other. Hope that having three in a row has broken the spell.

Contest time is again upon us so be sure to keep July 9th and 10th open. We will be needing all the help we can get and will be soliciting family help in manning certain jobs. Details will be discussed at the June 14th meeting.

Great meeting this month with past member Hale Wallace giving a program about his Skybolt. Be sure to attend.

Looks like a Pavillion this year is a possibility. Bob Noll is asking for pledges to pay the bill. I think it's a worthwhile expenditure. We need your support.

See you at the meeting.

STRCA MEET: Don Cromer

The first 1977 STRCA meet will be held this coming Sunday, June 12, at Ithaca. All AGS members and their families are invited.

The field will be open for flying at 10:30 a. m. and the meet will start at 11:00 a. m. There will be one team event, Carry the Mail, for the club trophy. There will be two individual events: (1) Random Pylon with provision for fixed throttle airplanes, and (2) A Spin Event which consists of a 3 turn spin and a spot landing. Minimum time wins. Timing ends when the plane is in its spot and the pilot is in his spot.

Only one plane per pilot will be allowed during the meet unless a plane is destroyed; then a second plane may be used.

There will be an entrance fee of \$2 per pilot. Hot dogs and hamburgers will be available.

Directions to the Ithaca field are shown on the accompanying map.
