Volume 10, Number 7

July 1977

THE PREZ SEZ: Ron Grodevant

I'm sure everyone has seen the article written about the club which was featured in Susquehanna Magazine, June 19. I think it was a great write-up and it has already had some success toward its goal--that of getting new members. At least three prospective members have been to the field as a result of the article. --Thanks to Lon Wallace for a super job.

Contest time is upon us again: July 9th and 10th and we need EVERYBODY'S help. Further information will be given at this month's meeting--Remember, one week early...that's July 5th at 7:30. Please plan to attend.

We expect the jackets to be here and, hopefully, emblems too, so if you have one ordered be sure to bring enough cash for them. We have a chance for more publicity so we need planes for show and tell. Everybody bring one.

Looks like the pavilion is a reality and we'll have it set up soon. Those who've made pledges to Bob Noll will be contacted soon. Cough up time.

cont'd.

Flying weather's been great. Field's in super shape--much thanks to the Bush Hoggers, especially Dick Allen.

See you at the meeting.

THE BRUSH HOG FLAT TOP: Most of the ten acres or so which crown our hilltop was mowed last weekend with a brush hog. Even a "Northwest Passage" was cut around the clump of trees beyond our northwest runway. It took about 16 hours plus six hours of fixing the tractor. I would like to thank the following people who donated their time and effort to this worthy cause:

Bill Sebesta  
 Bill Underkofler  
 John Seitz  
 Hank Farrell  
 Tom Farrell  
 Terry Terrenoire  
 Ernie Bitto and Son

Reid Donlon  
 Rich Painchaud  
 John Morrison  
 Don Cromer  
 Tom Cromer  
 Don Leaf  
 George Brooks

Dick Allen,  
 Chairman, Field Committee

CONCRETE PADS: Dick Allen

U bought 'em, now plant 'em.  
 Every member please set in place a cement pad on the flight line.  
 We use the small bench to gauge distance between pads.

MEETING ROOM CLEANUP

After meetings it is each member's responsibility to pick up his own drink cans and trash and put them in the waste cans. However, ash trays should not be emptied. Just leave the filled ash trays on the tables. Emptying ash trays into the waste cans creates a serious fire hazard.

CONTEST POSTERS

Posters advertising the AGS Annual Contest are at George's. Members are urged to pick them up from George and distribute them for display because they are our primary means of advertising this year.

FIELD MOWING LIST: John Morrison

The July and August field mowing list is shown below. The dates shown are Mondays. The field should be mowed between Wednesday and Saturday noon following the listed Monday.

July	6	Contest--no mowing
	13	Terrenoire, Donlon
	20	Rubright, Wallace
	27	
August	3	Sebesta, Terrenoire
	10	Hamrick, Taylor
	17	Sanwald, Underkofler
	24	Sitler, Painchaud
	31	Jennings, Riegal

OIL ON THE ROAD

All members who change the oil in their cars are requested to pour the old oil on the section of the field road below the gate. This will reduce the dust blowing toward Mrs. Allen's house.
