PREZ SEZ:

Ralph Jackson

July 11 and 12 the AGS will hold its 26th annual AMA sanctioned contest at the Greene airport. In addition to the regular four pattern events and Sport Scale, a Giant Scale event will be held this year for the first time. Helping to put on the contest is an interesting and enjoyable experience and all members are urged to participate.

BOARD MEETING: The AGS Board of Directors will hold its June meeting at 7:00 p.m., Tuesday, June 16 at the home of Ralph Jackson.

NEXT MEETING: June 9, 7:30 p.m. at NYSE&G; Bill Underkofler will present a surprise program of his choice that you don't dare miss! Rumor has it that Don Godfrey flew his big B-25 -- come and tell us about it, Don!

IMPORTANT: July Meeting Moved to July 7 (Tues.) before the annual contest on July 11 & 12.

FIELD WORK PARTY: Saturday, June 6, 10:00 a.m. Field Chairman Bob Jennings will be calling you with details -- free coffee and doughnuts -- bring your planes.

THE TRACTOR: Is in operation again -- Ralph J. and Dick A. mowed the field May 30. A jug of water is in one of the large cable reels by the pits -- please check the radiator before mowing (also the oil). Mowers should bring oil, water and gasoline -- See Chris Engler to get on the mowing list. Two people mow together and at least one of them must be checked out on the tractor/mower!

CONTEST:

Parking Committee Chairman needed to organize parking, and volunteers to direct cars and take donations on a rotating basis during each day; call Ralph J. to volunteer.

CONTEST (cont'd.)

CHEFS, DIETICIANS, RESTAURANT MGRS. (no experience required) to help Bill "Hash-slinger" Sebesta and his better half, Linda, run "Dog and Burger Heaven". Call Bill to volunteer, but hurry or you may lose out -- just think, you don't have to share tips!

Judges -- sit in a chair, watch the flying, accept bribes from contestants and be a VIP! Sound good?, call Bill Underkofler, the chief judge.

FOR SALE:

EK Logictrol 5 ch. Radio with 4 working servos, plus 4 servos for parts	\$30

June 1981

Dear A.G.S. Member:

The Aeroguidance Society has come a long way since its formation in 1955. We have a membership of nearly fifty. Financially, we are in good condition with only about \$2500 of long term (4 years) debt remaining. This debt is based on the desire of our members to have their own flying field, free of the uncertainties of using "borrowed land".

The majority of the debt has been retired as a result of running excellent and profitable contests each year. A successful 26th annual contest on July 11, 12; could easily reduce the debt to a level manageable by dues alone!

With this long time dream approaching reality, there is a strong incentive to make this year's contest GO. Most of the chairmen for the various necessary functions of the Contest have volunteered. However, they need help. If you get a call from one of them for help, think about the fact that this may be the last contest necessary for fund raising. Say Yes!!

In any case, come down to Greene Airport on July 11, 12. There are always many things that need to be done. For the newer members, it will be a new but very interesting and rewarding experience.

Sincerely,

The Board of Directors
